About Rory's School Lunches

Rory's School Lunches is a local based Catering and Canteen Management Company who provide excellent and extensive "healthy choice" food offerings to numerous schools across South Australia.

Rory's School Lunches believes all students deserve healthy and nutritious food to support their growth and learning. That's why we employ a team of qualified chefs to prepare fresh, delicious and healthy meals.

Made with Fresh Ingredients

Because our food is delivered daily, we don't need to use harmful preservatives to extend its shelf life. We cook the traditional way, taking advantage of fresh herbs and spices to boost the flavour of our food.

Cater for Fussy Eaters

Some students can be fussy about eating healthy foods so we incorporate them into our dishes. For example, our Napolitana sauce is packed full of veggies blended into a delicious sauce so students don't notice them.

Variety

Our menus are updated to keep them exciting for students and to encourage them to try a range of food. There are some popular items students love so we always keep them on the menu.

Ordering lunch can be fun and a learning experience for students, so as well as our healthy meals we offer a few treats for special occasions.

Convenient

Parents, enjoy a day off preparing the school lunches guilt-free because Rory's School Lunches are fresh, healthy and affordable.

Placing Online Canteen Orders

Rory's School Lunches provides an online canteen ordering system for the convenience of schools, parents and students.

- **orders can be placed** two weeks in advance, any time, **until 8.40am on the day the lunch is required.**
- students don't need to bring cash to school to pay for their lunch order.
- parents can also discuss food choices with their children, which is particularly helpful for younger students.
