A Message from Lynette

The students all enjoyed the opportunity to share their learning with family and friends during our Celebration of Learning day on Friday of Week 4. Thank you to those who were able to join us on the day. The dress rehearsal of the Wakakirri performance was a highlight of the assembly and the chance to showcase the talent of our students. The Wakakirri team went on to perform at the Entertainment Centre last Thursday night. It was great to see them perform so well on stage in front of a large audience. Thank you to the staff and volunteers without whose guidance and help this event would not be able to occur.

Book Week is being celebrated over Weeks 6 and 7 with a theme of Australia: Story Country. Families are invited to visit our resource centre and view the fabulous displays of different Australian landscapes highlighted around the room. Students will be able to dress as their favourite Australian or storybook character for the Book Week Assembly this Friday. Join us for this colourful and creative parade. Thanks to Jane and Alex for another enjoyable Book Week.

Please remember that Monday 5th September is our School Closure Day and Tuesday 6th September is a Pupil Free Day when staff undertake training in Growth Mindsets. OSHC will not be available on these two days due to minimum enrolments not being met. Please contact OSHC for information about alternative arrangements.

Parents are reminded that the after school duty finishes at 3:30pm at the front of the school. If your child is not picked up by this time and you have not made prior contact with the office, your child will need to be booked in OSHC. The OSHC number is 0450 265 054.

2016 Parents in Education Week

Planning for 2017
In order for us to be able to organise our classes for 2017 we need to begin planning now. It is very important that we know if families are planning on leaving or if new students will be joining us. Please ensure that you notify the front office as soon as possible and remind friends and relatives who this may affect. If you feel that there is something that you would like us to take into account when placing students in classes, please put this in writing, mark it to my attention and leave with front office staff. This might particularly pertain to friendships that may be problematic or other matters affecting student learning but not preference for particular teachers or locations in the school.

Thank you,
Lynette Simons
- Acting Principal

Wakakirri 2016
*On the 25th of August 2016, Angle Vale Primary School’s Wakakirri team performed our item "Let your inner star shine" at the Entertainment Centre. It was an amazing experience when I got to go on the red carpet, and see all of my family and friends. The night was full of laughter and joy, and I enjoyed it a lot. The best part of the day was when we worked as a team to perform a great show, and when we won the best backstage crew award." By Tasha M

*Our story was about believing in yourself, never giving up and letting your inner star shine. Our story started in a dance studio where our main character is having trouble learning a dance for a performance. After making mistakes she doubts herself and darkness sets in. After seeing a falling star outside, she makes a wish and her inner star appears. Together they work to push the negatives out of her head and prepare for the auditions. After plenty of hard work she gets the main role in the performance.

The importance of our story was to be a star you must shine your own light, follow your own path and don’t worry about the darkness for that is when the stars shine brightest." By Jasmine C

My VIP Wakakirri Experience
*At Wakakirri I walked down the red carpet with Jazmine and Tasha. I had photos taken with the judge. I had some apple juice in a champagne glass as all VIPs do. I started conversations with all the other school VIPs and at the end we had a picture taken together. Wakakirri was a very good experience and I will miss being at Angle Vale Primary School." Book Week in Miss Wendland’s Class
Last week for Book Week our class worked with our buddy class (Mrs Arnold’s class) to make a kite. We first read the story Ollie and the Wind by Rhonojoy Ghosh, which was a story about a boy who learnt that the wind wasn’t stealing his things, it was playing with him instead.

After the story, students from M2 helped their buddies from A1 to follow a procedure to make a kite and to see if the wind wanted to play with them as well.

Lost property
We have a large amount of lost property at the moment, including a lot of school jumpers without names. If you are missing any jumpers, lunch boxes, jackets, balls etc. please have a look in the Lost Property box which is located in the Gym foyer. If the items are not collected by the end of the term they will be donated to a local Second Hand Shop in the next school holidays.

Emergency foster carers needed
Foster care agencies are currently seeking emergency and short term foster carers.

What is emergency foster care?
Sometimes children need urgent placement with a foster carer because there are concerns for the child’s immediate safety. These placements can occur any time, day or night, including after hours and on weekends.

‘Emergency’ does not mean you start today. All foster carers receive thorough training and assessment to ensure the children placed with you are safe and that you have the skills needed to provide quality care.
