Building our bridge to the future

Honesty • Respect • Confidence • Resilience Thursday, 28th March 2024

Principal's Message

To the Angle Vale Primary School community

We are almost at the end of Term 1, which has been an exciting one. This term we have seen our new Student Governing Council team meet, Year 6 Aquatics Day, Pupil Free Day and Parent & Teacher Interviews. Thank you to our staff for their amazing efforts throughout the term to ensure a sense of belonging and purpose in every class, every day.

NAPLAN

Well done to our Year 3 and 5 students over the past two weeks as they participated in the 2024 NAPLAN assessment. They displayed persistence and confidence to have a go. We have had close to 100% participation across the two year levels. I'd like to thank Alex Stokoe for the time he spent preparing for the tests and coordination of the test period, which ensured the process went smoothly for students. Many thanks also to our Regional Support ICT staff for the preparation of devices and resolving of technical issues. We expect to receive the results of the tests later in the year, which we will analyse and look to where the next steps are in the improvement journey.

2024 AGM

Our AGM was held on Wednesday, 13th March. The 2023 Annual Report was presented, which included a summary of results and outline of plans for 2023. Following our AGM a Governing Council meeting took place, where nominations and elections of office bearer positions and sub-committees occurred. I am pleased to announce the following 2024 Governing Council members, Office Bearers and members of Sub-Committees:

Chairperson: Fariz Matnoor

Deputy Chairperson: Ebony Dunling

Secretary: Ann Hentschke

Treasurer: Lisa Porrovecchio

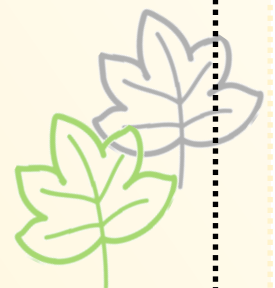

Staff rep: To be advised

Finance Sub-Committee: Lisa Porrovecchio, Di Sims (Business Manager) and David Pitt (Principal)

OSHC Sub-Committee: Fariz Matnoor, Alex Stokoe (Deputy Principal) and Camp Australia rep

Fundraising Sub-Committee: Lisa Porrovecchio and David Pitt (Principal).

We still have room for any parent/carer to join Governing Council. If you wish to do so, please let the Front Office know, we'd love to have you on board.

Facilities update

The April school holidays will see improvements to facilities taking place. Work to occur includes:

- Internal painting of Acacia building
- Internal painting of Melaleuca building
- Internal painting of Library
- Internal painting of Gym foyer
- High pressure clean and re stain of timber decking and furniture between Melaleuca classrooms
- Refurbishment of Junior Primary toilet.

This work has been funded by the school. We look forward to returning in Term 2 and seeing the completed work.

Road Safety

As we approach the Easter break and Term 1 holidays, it's a timely reminder to everyone to be mindful of road safety near and around schools.

It's important all road users remember to slow down when driving near schools, especially at drop-off and pick-up times. Anyone driving on Fradd Road at the beginning or end of the school day will appreciate that it is very busy and potentially incredibly dangerous. Children and young people are at risk in road environments around schools for a number of reasons. They are smaller and less visible to drivers, their active behaviour can be less predictable than adults and they may have errors of judgement when dealing with traffic. We ask all drivers to be patient and respectful of children when driving near the school.

Students are also reminded of the importance of using the crossing, walking on the footpaths and being aware of their surroundings.

I thank you for doing your bit in keeping Angle Vale Primary School students and community members safe.

PLEASE NOTE: We also remind our families that parking at the preschool is for preschool families only. Please ensure the disability carparks are available for permit holders only.

Early Dismissal

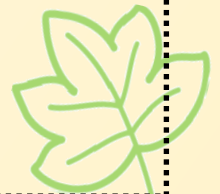

A reminder that early dismissal of students will occur on Friday, 12th April. Dismissal time will be at 2.15pm.

I wish all families a safe and enjoyable Easter and April holiday break.

See you all again on Monday, 29th April for the commencement of Term 2.

Kind regards,

David

Harmony Week

Harmony Week is held each year from the 20th March and is the celebration that recognises our diversity and brings together Australians from all different backgrounds. It's about inclusiveness, respect and a sense of belonging for everyone. At Angle Vale Primary School we read stories and had discussions encompassing the theme of diversity and belonging.

As a whole school activity, students were given a white hexagon card to design and colour around the theme 'Bee Inclusive, Bee Kind as we all Beelong'. The hexagons came together in a display in the front office to form a bee's honeycomb. Bees can teach us so much about teamwork, acceptance, resilience and community. We would love you to pop in and have a look.

Healthy Recipe Ideas

Ingredients

- 1 egg
- 125gm margarine
- ½ cup raw sugar
- ¾ cup natural Greek yoghurt
- 1 tbsp vanilla essence
- ½ cup reduced-fat milk
- 1 cup self-raising flour
- ½ cup wholemeal self-raising flour
- ½ cup desiccated coconut
- 1 400g tin pear slices in natural juice, drained

Method

Preheat the oven to 180°C. Grease and line a 20cm x 20cm square baking tin.

Place the first six ingredients into the bowl of a food processor, blender or stand mixer and mix until combined. Add the flours and coconut and mix until just combined. Dice half of the pear slices, add to the batter and mix through.

Spoon into the baking tin. Arrange the remaining pear slices on top to decorate. Bake for 25 minutes until golden and cake bounces back when touched. Allow to cool and then slice.

Tip

Store in an airtight container in the fridge for up to 7 days or freeze portions in a freezer safe container or freezer bags for up to 3 months.
