

## Behaviour Policy

### Intervene

We will intervene to prevent, reduce or redirect behaviours of concern. We will use methods that are the least exclusionary possible.

#### Our actions

- Staff use proactive strategies to co-regulate children and young people to prevent behaviours of concern.

### Work with others

We will work with children, their families, professionals and other key adults to understand the environmental, social and family context of a child or young person's behaviour. We will draw on these people to support positive behaviour change.

#### Our actions

- Value children and young people's perspectives. Seek their ideas when developing behaviour supports.
- Engage children, young people and families to understand possible reasons for behaviour.
- Use case management and Team Around the Child approaches to coordinate, assess, plan, monitor and review behaviour interventions.

### Respond

We will respond to behaviour visibly and fairly. Responses will help grow confidence and trust.

#### Our actions

- Investigate concerns about behavioural incidents. Understand the nature of the incident and the experience of the incident by those involved.
- Document planned behaviour support responses in Behaviour Support Plans, Safety and Risk Management Plans, and Safety and Support Plans.

### Repair and restore relationships

We will repair and restore relationships harmed by behaviours of concern.

#### Our actions

- Children and young people who have acted inappropriately recognise the impact of their actions. They have the chance to apologise and express remorse. They have the chance to repair and restore relationships when appropriate, safe and consented to by all parties.

### Create safety and wellbeing

We will create safety and wellbeing for people involved in behaviour incidents.

#### Our actions

- Provide strategies to reduce the risk of harm to children, young people and staff following behavioural incidents.
- Use suspension as a last resort strategy if immediate safety is required.
- Refer children, young people, staff and others who have been harmed by unsafe behaviours to counselling or other support.
- Engage department supports when responding to serious incidents. For example the Social Work Incident Support Service. Responses might include telling parents and carers of those involved in or effected by the behaviour.

## Behaviours of concern:

- are challenging, complex or unsafe behaviours
- are more serious, happen more often or last a long time
- significantly interrupt learning for the child or others
- could put the child or others in danger
- need consistent guidance and support.

## Behaviours that disrupt learning or safety will always receive a response that considers:

- the needs of the child or young person with behaviours of concern
- other people's rights to learning and safety.

## How we respond to behaviours of concern

At Angle Vale Primary School we use specific responses to behaviours of concern.

## Educator responses

- Provide quality differentiated teaching practice. This is a way to meet each child and young person's learning styles and needs. For example, the teacher plans ahead to clearly teach values and safe and inclusive behaviours.
- Create plans that support positive behaviour change. Partner with parents, carers and others to do this.
- Explicitly teach interoception skills. Support students to self-regulate using an interoception space, interoception activities, or both.
- Use natural consequences related to the behaviour. Use them if a student is unable to engage in the preferred behaviour with support matched to the student's individual needs. For example cleaning graffiti off the wall at recess instead of going outside to play.

## Leader responses

- Monitor behaviour. Act on any reports about behaviour of concern. This includes incidents that happen out of hours or off-site that impact relationships at Angle Vale Primary School.
- Consider the use of suspension and exclusion from school to support safety. This is after we consider all other options to reduce danger.
- Report criminal offences to the police.
- Provide leadership and / or external assistance to facilitate restorative processes (including re-entry meetings) where staff and children or young people directly involved require impartial assistance to resolve the issues.

## Department level responses

- Negotiate other learning options away from school to make sure the school community is safe. This is after we consider other options to reduce danger.
- Support staff and local leadership in how they respond to a child or young person.

## Responsibilities

Children and young people

- Treat others with kindness, respect and inclusiveness.
- Make sure their actions are safe, respectful and inclusive. This includes verbal, physical and online actions.
- Seek help from adults to intervene when they see behaviours of concern in person or online.
- Report behaviours of concern to your class teacher or a member of the leadership team

## Parent and carer

- Report any child or young person's concerning or unsafe behaviour to a member of the leadership team
- If an incident happens, work collaboratively with us to resolve concerns.
- Follow the complaint resolution process to deal with concerns. A copy of the complaint resolution process is on our website or in our front office.
- Seek support from our staff to create consistent responses to behaviours of concern. This includes at home and at our site.
- Talk to their children about safety issues, including unsafe behaviours. Help them understand what it is, why it's harmful and how to respond. Use the same messages that Angle Vale Primary School promotes.
- Understand that, because of confidentiality, we cannot share information about other children.

## Communication and review

### Outline:

- This policy is available on our school website and from the front office
- This policy has been discussed with our staff, governing council members and primary students
- This policy will be reviewed in line with the Department for Education's requirements
- Policy endorsed by Governing Council **Term 2 2020**
- This Policy will be due for review **Term 3 2023**
