

Angle Vale Primary School

Building our bridge to the future

Principal's Message

Friday, 7th February 2025

Dear Families,

A warm welcome to the 2025 school year. I'd like to make a special welcome to our 59 new Receptions and their families as they begin their schooling journey. Welcome also to other students and their families who are new to the school. We start the school year with 333 students.

We also welcome some new faces as Teachers and SSO staff - Elise Giarratano (Year 1/2), Tenniel McKenzie-Campbell (Year 2), Kate Larter-Conway (Year 3/4), Michaela Stephens (Year 4/5), Selena Kleinrahm (Year 4/5), Bek Miell (Year 5), Jess Ogden (Year 5/6) and Janika Welin (JP Science) have joined the teaching staff. Julie Holland and Cooper Pugliese join us as Curriculum SSOs. A full list of staff can be found on the next page.

It was also great to see so many families at our 'Open Hour' in Week 0. The Open Hour was an opportunity for students and families to meet their new teacher and classroom. We have received positive feedback from the event and will be having the same format next year.

Whole School Communication with Parents/Carers

Communication from the school will continue to occur via Class Dojo, School Facebook Page and Newsletters ([online](#)) as well as direct emails. Please ensure we have your correct email address in our records as we are now utilising the email component of the Education Management System (EMS).

Parents and caregivers should ensure they have access to the Class Dojo App and monitor messages to keep up to date with school events and notifications.

Term 1 looks to be exciting with lots of different activities planned. I wish all students and staff a successful and rewarding term.

Kind regards,
David
